Overview

Guyetts Funerals have been providing funeral services to the South-West Victorian community since 1905.

We understand the importance of providing the professional, compassionate and personal care that your family deserves during this most difficult time.

As a long-time accredited member of Funerals Australia (formerly Australian Funeral Directors Association), Guyetts Funerals strive to maintain the expected high standards of facilities and equipment, support the ongoing training and development of our staff, and continually look to refine processes to meet client expectations and remain at the forefront of best practice service delivery.

This document has been prepared to comply with the Funerals Regulations 2025 and aims to offer a high level of price and service option transparency to our client families.

If you require further explanation of any costs listed or would prefer a detailed quote for a particular need, please get in touch with our team.

OUR SERVICE AREA

Our primary service area encompasses the localities including Warrnambool, Port Fairy, Mortlake, Port Campbell, Yambuk, Caramut, Woorndoo, Scotts Creek, Timboon, Allansford, Woolsthorpe, Panmure and all locations in between.

Funeral Services and the safe transfer of deceased persons can be managed by Guyetts Funerals from any location necessary. Please contact our team if you have an enquiry for any out of service area support.

HOURS OF OPERATION

Our defined business hours are:

8.30am – 5.30pm Monday to Friday (excluding Public Holidays)

Our phones are monitored by our team 24 hours a day for urgent advice or care matters, including notifying us when someone has passed away.

ACCOUNT TERMS AND DEPOSIT

Final accounts are generally issued 14 days after a Service takes place.

Remittance is required within 21 days of account issue.

The charged Administration Fee is deducted if an account is paid within terms.

Deposits are payable to cover disbursement and third-party costs.

Our Essential Care Package requires upfront payment prior to disposition taking place

FACILITIES AND VEHICLES

Our offices, Funeral Chapel and fully equipped and accredited mortuary are all co-located at our Eastern Park site, 271 Raglan Pde Warrnambool.

Vehicles used by Guyetts Funerals for the transportation of deceased persons include custom built Chrysler 300 hearses and custom built and refrigerated Mercedes Benz transfer vehicles, created and built by Hillier by Design, an Australian, family-owned company trusted for supplying quality products for over 40 years.

At Guyetts Funerals, our premises, equipment and vehicles exceed minimum accreditation standards for membership of Funerals Australia, the country's leading industry association.

CEMETERIES AND CREMATORIUMS

Guyetts Funerals are not affiliated with any cemetery or crematorium.

Client families are at liberty to opt for the cemetery or crematorium of their choosing.

Generally, and practically, the crematoria Guyetts Funerals utilise most frequently are:

- Geelong Memorial Park Crematorium managed by the Geelong Cemeteries Trust and executive, operated under the provisions of the Victorian Cemeteries and Crematoria Act 2003
- Ballarat Crematorium managed by the Ballarat Cemeteries Trust and executive, operated under the provisions of the Victorian Cemeteries and Crematoria Act 2003

FURTHER

While all due care is taken to ensure the accuracy of this document, the prices may be subject to change without notice. All prices are current as at May 30, 2026.

Due to the nature of the work undertaken, an accurate reflection of all services offered cannot be captured within this document.

Many other goods and service options not listed in this document can still be offered by Guyetts Funerals. Please contact our team for further information or price estimates.

GST is included in all prices listed (unless the product is deemed GST exempt).

EXTREME WEATHER

In instances where weather events and fire activity pose risks to the health and safety of our team or the public, Guyetts Funerals reserve the right to postpone Services. Industry partners including cemeteries, churches and other venues may also have policies that require postponement in certain circumstances.
